Completing the form

Section 1: Candidate information

Section one requires you to provide your information. You may provide a mailing address to receive your ballot proof and other information at an alternate address. Please provide a phone number and email address so your filing official may contact you. If you are using a name that was not provided to you at birth, you must check the box and provide your former name. However, you do not need to provide a former name if your name changed because of marriage or divorce, is a nickname that you have been known as for at least 6 months, or was formally changed for any reason more than 10 years ago.

Section 2: Office sought and ballot information

Section two requires detailed information for the office you seek. All office details are required.

- First, provide the name of the office you seek as well as the jurisdiction, and any district/ward defining the office you seek. Precinct delegates should put the precinct number.
- Next, mark your political party affiliation. If running for a partisan office, list your political party in the space provided.
- Third, provide the date of the primary and general election if you intend to run in both elections. If you are filing only for the November general election, only complete the general election date.
- Fourth, indicate exactly how you want your name to appear on the ballot using upper and lowercase letters. You may not use nicknames or titles (e.g. Dr., PhD, etc).

Section 3: Certification and acknowledgment

You must mark the box to certify that you are a U.S. citizen and meet the statutory and constitutional requirements for the office sought. Finally, sign and date the affidavit in front of a notary and complete the notarization.
